

**CITY OF CRAIG
RESOLUTION 03-04**

RECOMMENDING THAT THE ALASKA ALCOHOLIC BEVERAGE CONTROL BOARD CONDITIONALLY ISSUE A BEVERAGE DISPENSARY LICENSE TO SHELTER COVE LODGE ENTERPRISES LLC

WHEREAS, the Alaska Alcohol Beverage Control Board (ABCB) controls the manufacture, barter, possession, and sale of alcoholic beverages in Alaska; and,

WHEREAS, Shelter Cove Lodge Enterprises LLC has applied to the ABCB for a beverage dispensary license under Alaska Statutes 04.11.400(d); and,

WHEREAS, Alaska Statutes 04.11.480(c) provides for a local governing body to make recommendations to the ABCB as to requests for licenses, including attaching conditions of approval; and,

WHEREAS, the ABCB has already issued permits in Craig allowing for the operation of two full bars, one private club with a full bar that serves alcohol to its members, one beverage dispensary permit that operates as a bar, one beverage dispensary permit serving alcohol to lodge patrons, and two restaurant designation permits allowing service of beer and wine with meals; and,

WHEREAS, Alaska Statutes 04.11.400 appears to set a guideline of one liquor license per 3,000 population; and,

WHEREAS, the population of the City of Craig is 1,227; and,

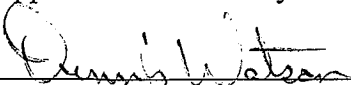

WHEREAS, given the high ratio of liquor licenses to population in Craig, it is reasonable and necessary for the Craig City Council to regulate the sale of alcohol in the community; and,

WHEREAS, the City of Craig currently exercises reasonable and necessary regulation of the sale of alcohol at other locations in the city.

NOW, THEREFORE, BE IT RESOLVED that the City of Craig recommends that the Alcoholic Beverage Control Board approve a beverage dispensary license to Shelter Cove Lodge Enterprises LLC, subject to the following conditions:
