### Site Plan

Please complete on reverse side or attached sheet a site plan showing all proposed construction.

### Owner's/Applicant's Statement

I acknowledge that I have read this application and state that the above information is correct. I agree to comply with all codes and ordinances of the City of Craig applicable to building and construction, and all land use regulations as pertaining to this permit. Any violation of land management regulations are the responsibility of the property owner. This permit becomes void upon completion of the approved work, or one year, whichever comes first. Work not documented in this application is not authorized by this building permit. I understand that this permit is revocable if work is not completed consistent with this applicant or if work does not comply with the requirements of the City of Craig Municipal Code. I agree to provide the City of Craig with an as-built survey of the lot in the event one is completed for this project.

Signature of Applicant \_\_\_\_\_ Date \_\_\_\_\_ Signature of Property Owner (if other than applicant) \_\_\_\_\_ Date \_\_\_\_\_

### Special Conditions of Approval.

The following conditions of approval are made a part of this permit as provided by section 18.06.001B.6 of the Craig Land Development Code:  
#1. Fire Marshal Permit or Approval must be submitted to city for all changes before occupancy.  
#2. Parking Agreement of 46 off-street parking spaces required before occupancy is allowed.  
#3. Building Plans have been submitted to the city; changes in construction or site plan must be submitted to city.  
#4. No construction within 10' of property lines.  
#5. Parking requirement amended to 30 spaces based on max seating for 142 and one employee space. New building and parking plans submitted 5/24/17 (BT)

Permission is hereby granted to perform the above work in compliance with any and all conditions listed above and in compliance with the Craig Land Development Code and all other ordinances of the City of Craig and the State of Alaska pertaining to the construction of buildings.

CITY: Craig  
PLAN REVIEW: 2012June1045  
TYPE OF CONSTRUCTION: VA  
OCCUPANCY: A3  
2009 INTERNATIONAL BUILDING AND FIRE CODE

Dear R. Dean Blankenship:

Plans for the subject facility have been reviewed by this office for conformity with the State Fire Safety Regulations and are hereby approved as submitted. Enclosed is a certificate of approval that must be posted on the premises until completion of the above facility. You are prohibited to occupy this building until construction is completed as approved. Any changes to the approved plans must be submitted to this office for review and approval.

Approval of submitted plans is not approval of omissions or oversights by this office or noncompliance with any applicable regulations of the Municipal Government. The plans have not been reviewed for compliance with the federal Americans with Disabilities Act or structural requirements.

It must be understood that the inclusion of and compliance with State Fire Safety Regulations does not preclude the necessity of compliance with the requirements of local codes and ordinances.

If we can be of further assistance in this matter, please feel free to contact us at the address above.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Plumb".
