Dear Don,

This letter is to inform you that the Craig Planning Commission approved your request for a Conditional Use Permit to operate a Bed and Breakfast in a Residential Zone at its regularly scheduled planning meeting on March 27, 2008.

The following conditions are attached to the Conditional Use Permit:

1. That the conditional use permit is not transferable to another individual or location.
2. That the conditional use is accessory to a principal owner residential use. The owner occupying the residence during conduct of the Bed and Breakfast must be a legally recorded owner of the property. The owner occupant must be an owner of record or purchaser of record according to the system of land title recording established pursuant to AS 44.37. In order to ensure that the use is accessory to a principal residential use the permittee shall provide an onsite contact phone number and dates of bookings as they are made for the first twelve months after the permit is approved. The city shall retain the right to ensure that a legal owner is present for at least 75% of the days that guests are in residence.
3. That all parking for personal use and customer use will be off-street.
4. That the bed and breakfast will be limited to three rooms.
5. That all sales tax due on the operations covered by this permit must be paid within 30 days of the end of the quarter that the sales were made.
6. That this conditional use permit is voidable by the City of Craig, at its sole discretion, if the applicant is unable to meet the above conditions.
7. The conditional use permit will be reviewed by the Planning Commission 12 months after approval to ensure compliance with these provisions.

In addition you must ensure that the use conforms to the conditions for a bed and breakfast found in the Craig Municipal Code (Chapter 18.16), which are:

1. An owner-occupied structure.
2. Three or fewer rental rooms.
3. Maximum length of stay of thirty (30) days.
4. The residential character of the neighborhood is retained.
